

Holiday class schedule

KEY
MARTIAL ARTS

During the school holidays we run a modified schedule.

The holiday schedule covers classes from the day after the public school term ends to the day before the public school term starts for students. This is from Saturday 23rd September to Sunday 8th October inclusive. Please note that no classes will be held over the Labour Day long weekend

* indicates a sparring class for purple belts and above.

Important note on attendance

Classes during the school holidays that are not attended DO NOT COUNT against attendance. Students can miss all classes during the holidays, and still receive their attendance medal without doing make up classes.

Students who do attend during the school holidays can use those holiday classes as make up classes if they are sick or away during the term.
